## Grant Details 1

### Application Basic Info

Application Title

Geographical area that will benefit from this grant

Please provide a brief description of how the funding will be used

Please provide an outline of the need for this funding/project (using evidence where possible)

Please provide details of who will benefit from your funding request

---

### Outcome Assessment

Please list up to 4 outcomes that you expect to result from this grant:

*The Westminster Foundation defines an 'outcome' as the direct results to the service delivery and beneficiaries of the organisation that receives a grant from the Foundation. In answer to this question, we simply ask that you list what you expect to come out of this grant in order to judge it a success. We will ask you to report against these measures at the end of your grant, or each year, whichever is sooner.*

*Your list may include both qualitative and quantitative outcomes.*

*Example outcomes might include:*

- Assist 5 young people to access meaningful employment
- Provide housing advice to 45 people
- Start a new group in Westminster
- Run 3 workshops for small charities

- *Develop the efficiency of our service (bring down cost per beneficiary by 5%)*
- *Provide appropriate training to 6 staff/volunteers*

Expected Outcome 1

Expected Outcome 2

Expected Outcome 3

Expected Outcome 4

Please provide details of how you intend to measure each of the outcomes of this funding (listed above)

Financial Details

Total Amount Requested                      £

Application as a percentage of the total budget  %

Please upload a budget breakdown for the application

Please provide details of other funding applied for

Deadline for funding request (if applicable):
